

Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Wednesday 07 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:

A cloudier day on Thursday with patchy light rain.

This Evening and Tonight:

A dry evening with some sunny intervals to end the day and some clear spells for a time tonight. Cloud increases from the north overnight to bring some patchy drizzle later in the night. Minimum temperature 13 deg C (55 deg F).

Thursday:

Any early sun in the south fading then generally cloudy, and in places dull day with a little patchy light rain or drizzle. Light variable winds. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:

Bright with some sunshine at times. Mainly dry, but scattered showers breaking out by day, these heavier over the weekend. Winds mostly light.
